"Intermediary" and "Associated Person"

Securities and Exchange Board of India (Certification of Associated Persons in the Securities Markets) Regulations, 2007 defines the term "intermediaries" and "associated persons". Accordingly, "intermediary" means an entity registered under SEBI Act and includes any person required to obtain any membership or approval from a stock exchange or a self-regulatory organization; and "associated person" means a principal or employee of an intermediary or an agent or distributor or other natural person engaged in the securities business and includes an employee of a foreign institutional investor or a foreign venture capital investor working in India;

"Conflict of Interest"

Conflicts of Interest can be defined in many ways, including any situation in which an individual or corporation (either private or governmental) is in a position to exploit a professional or official capacity in some way for their personal or corporate benefit. A conflict of interest is a manifestation of the moral hazard problem, particularly when a financial institution provides multiple services and the potentially competing interests of those services may lead to a concealment of information or dissemination of misleading information. A conflict of interest exists when a party to a transaction could potentially make gain from taking actions that are detrimental to the other party in the transaction.

Identification of Conflicts of Interests

The Company shall take adequate steps to identify conflicts of interest. In identifying conflicts of interest, the Company will take into account situations where the Company or an employee or a Relevant Person:

- Is likely to make a financial gain, or avoid a financial loss, at the expense of the Client;
- Has an interest in the outcome of a service provided to the Client or of a transaction carried out on behalf of the Client, which is distinct from the Client's interest in that outcome;
- Has a financial or other incentive to favour the interest of one Client over another;
- Carries out the same business as the Client; or
- Receives from a person other than a Client an inducement in relation to a service provided to a Client, in the form of monies, goods or services, other than the standard commission or fee for that service.
